REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the prior art fails to disclose or reasonably teach an end cap for the exposed ends of the pins and rods of an external fixator device, in combination comprising: a separate end cap releasably positioned on the free ends of the fixation pins for each connecting clamp leaving a space between the end caps; wherein each of the end cap is oval shaped and made of a compressible material and having first and second opposing conically shaped ends and a first and second opposing side surface, the second side surface having a cavity therein, and each of the first and second ends terminating in a planar surface at right angles to a central axis of the end cap; and pliable material filling the cavity, wherein the ends of the fixation pins are press fitted into the pliable material to permit the free ends of the fixation pins to be covered. Thus, the examiner has allowed claims 1,6,8,12,13.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Pedro Philogene whose telephone number is (571) 272-4716. The examiner can normally be reached on Monday to Friday 6:30 AM to 4:00 PM.
